# Balance your blood sugar, naturally

When left uncontrolled, insulin resistance and chronic high blood sugar can lead to type 2 diabetes and unhealthy blood lipid profiles.

**WellBetX Berberine** supports blood sugar balance naturally by helping to restore insulin sensitivity and block the digestion of carbohydrates. Each vegetarian capsule contains 500 mg of pure berberine, a natural compound extracted from barberry roots. This same concentration has been used successfully in clinical trials to help target risk factors for cardiovascular and metabolic conditions.

The unique ways in which berberine acts on the body makes it a useful option when you have had little to no success trying other natural health products to balance blood sugar and blood lipid levels.

Signs of uncontrolled blood sugar and insulin levels include fatigue, weight gain, and intense food cravings. Whether you are experiencing such conditions or have difficulty losing weight due to insulin resistance, WellBetX Berberine offers essential nutritional support and a natural alternative to pharmaceutical options.

**WellBetX Cinnamon Extract** is made with CinnamonRich™, a patented water extract of cinnamon containing bioactive compounds with insulin-like effects that can increase glucose uptake by 20-fold. WellBetX Cinnamon Extract supports healthy blood sugar and cholesterol levels within a normal range.

**WellBetX Mulberry Extract** is a unique herbal extract designed to help balance and promote healthy blood sugar levels. One convenient capsule provides 100 mg of high-potency white mulberry extract, standardized to contain the correct potency of key plant actives.

**WellBetX Complete Diabetic Multivitamin & Mineral** is the only multivitamin specifically formulated to support healthy glucose metabolism. It provides a unique blend of key nutrients, which together help balance fluctuating blood sugar levels and help maintain good health.

**WellBetX The Revolutionary Appetite & Blood Sugar Regulator Program with PGX** is a highly nutritious meal replacement drink mix. It is designed to regulate blood sugar, promote a feeling of fullness for hours,

and provide a well-researched spectrum of essential vitamins and minerals – in only 220 calories per serving. Available in two delicious flavours: Chocolate and French Vanilla.

## Natural Factors Chromium Picolinate

enhances the action of insulin, metabolizes glucose, and helps maintain healthy blood sugar levels. Millions of North Americans struggle with conditions related to uncontrolled blood sugar and insulin levels. These supplements can help balance blood sugar and insulin levels, naturally.

## PGX Daily Softgels

When taken with meals, PGX expands in the stomach over a 30-minute (or longer) timeframe. This process creates a feeling of fullness by absorbing water and filling the stomach while slowing digestion. This keeps blood sugar from rising too high after meals, thereby curbing the body's hunger cravings throughout the day.

## Health benefits of PGX include:

- Normalizing and stabilizing blood sugar
- Lowering insulin secretion
- Improving insulin sensitivity
- Lowering after-meal blood sugar levels
- Reducing the glycemic index of meals
- Controlling appetite for healthy weight loss

# Sinus & Sore Throat Relief

**ECHINAMIDE® is the ONLY echinacea clinically proven to get rid of your cold up to three times faster.**

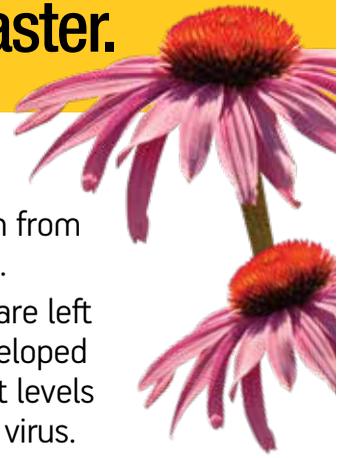

## What makes ECHINAMIDE so unique?

ECHINAMIDE is grown with 100% organic methods, then harvested fresh from our own farms in the beautiful Okanagan Valley of British Columbia.

Many key compounds in echinacea are typically lost during extraction or are left behind due to inappropriate extraction methods. Natural Factors has developed a patented extraction technique to produce ECHINAMIDE, with the highest levels and broadest range of active compounds available to truly effect the flu virus.

The encouraging results from double-blind studies with ECHINAMIDE have been backed up by clinical trials at major universities.

Grown under certified organic standards at Factors Farms, ECHINAMIDE is the gold standard *E. purpurea* extract, produced under careful control by Natural Factors, from organic seedlings, carefully harvested and extracted, and delivered to your local health food store.

## Amazing relief for a dry, sore throat ECHINAMIDE Sore Throat Relief

Available in Natural Orange  
and Natural Cherry flavours

ECHINAMIDE Sore Throat Relief lozenges with zinc, contain certified organic echinacea and are clinically proven to offer immune support. Beneficial for the relief of sore throats, echinacea combined with zinc and vitamin C work to maintain optimal immune function.

# The most powerful, effective digestive enzymes

Good health starts in your gut. These new intensive-strength enzyme formulas target specific digestive issues to **REJUVENATE YOUR LIFE!**

High-stress levels, inflammation, poor dietary, and lifestyle choices all wreak havoc on the digestive system. Digestive complaints include bloating, gas, cramping, and feeling tired after eating. In fact, nearly one in three people experience some type of digestive problem. Although the body produces its own digestive enzymes, it may not be producing enough.

The typical benefits of enzyme supplementation include reduced digestive distress, increased energy, and improved regularity.

**PROBLEMS DIGESTING GAS-PRODUCING VEGETABLES AND GRAINS?**

**MacroGest Vegetarian** is an intensive-strength, full-spectrum plant enzyme formula designed to aid digestion of fermentable carbohydrates (FODMAPs) found in beans, vegetables, and grains. High-FODMAP foods are a common cause of indigestion, gas, bloating, and abdominal discomfort. The 100% plant-derived enzymes in Vegetarian MacroGest
